Good Afternoon Kodey,

Please see attached request to deem an event I would like to host as Municipally Significant. I would like to be able to obtain a liquor license for the event to boost money raised and I would like to donate funds from this event as per below:

1. 50% to Municipality of West Grey, specifically for kitchen upgrades at Ayton Centennial Hall
2. 50% to Normanby Community School to support school programs such as Breakfast Club, bus costs for school trips, equipment etc.

Please let me know your thoughts. If we are approved, I would need to book the diamond and pavilion at the Ayton Centennial Hall for Aug.5-7, 2022.

I look forward to hearing from you.

Thank-you,  
Jessica Farquharson
