Corporate and Community Initiatives Officer
Municipality of West Grey

Dear Mr. Hewlitt:

We have a small group of community members that would like to move forward with hosting a Baseball Tournament at the Ayton Ball Park Aug. 5-7, 2022. The intent is to bring community members out for some Family Fun Baseball and raise funds to be donated in full back to the community.

We have heard that the Ayton Centennial Hall is in need of some kitchen upgrades and Normanby Community School is always appreciative of donations towards school equipment and breakfast program. We would like to split the proceeds equally between both needs.

- 50% of profits to be donated to Municipality of West Grey to support Centennial Hall kitchen upgrades
- 50% of profits to be donated to Normanby Community School.

We will be looking to rent the baseball diamond and pavilion at 818 Albert St., Ayton from Aug 5-7, 2022. We will be obtaining liability insurance to cover the event and obtaining food services to ensure food is available at all times that liquor is served.

We have also reached out to the Ayton Firefighters to see if they would like to host the Fireman's Breakfast on morning of Aug. 7th, 2022.

In order for us to obtain a liquor license, we need to have the event approved as Municipally Significant. As such, I would like to request the Municipality of West Grey support this event by deeming it Municipally Significant so that a liquor license can be obtained. We ask that this request be added to the agenda for discussion at the Council meeting scheduled for June 7, 2022.

Thank-you in advance for your consideration and support.

Best Regards,

Jessica Farquharson
