Subject: Lamlash hall

Laura,

I am making a request on behalf of the Grey County Past Wardens committee to waive the fees for our annual dinner and social time. This year West Grey is hosting and as has been the tradition, the host municipalities have granted the hall usage free of charge.

This is not an annual request of West Grey as the nine lower tier municipalities rotate hosting this event so it will not be seen by West Grey council for another nine years.

Can I request that our request be put on a future council agenda for council consideration? It would certainly be appreciated by the past leaders of our county.

Thank you
Delton Becker, Kevin Eccles, Laurie Weppler
