Wellington North Pool Concept

I am writing on behalf of Council of the Township of Wellington North to advise you of an exciting infrastructure project being undertaken by our municipality. The existing pool in Mount Forest, the Roy Grant Pool, is past its end of life. Several years ago we began planning for a replacement.

We have determined a site and have considered some concepts for the new pool. We know that your residents are users of our current pool, so we would be delighted to have the opportunity to present the current preferred concept and vision to you for your input while we are finalizing our plans.

I look forward to hearing from you.

If you have any questions or require further information, please do not hesitate to contact me.

Yours truly,

Andy Lennox

Mayor Andrew Lennox
