Subject: Special Occasion Permit

Laura

My name is Paul Nixon and I applied for a Special Occasion Permit. The reason for the SOP is the Durham Coed Slo-pitch League has a year end tournament on September 23rd and 24th, 2022.

I coach a Senior Women's hockey team in Durham and each year our team requires funds to participate in league play, tournaments and Provincials.

This request for municipal significant designation for a Coed slo-pitch tournament will benefit our Senior Women's hockey team.

I am requesting this SOP for West Grey Council to approve.

Thanks in advance,

Paul Nixon
