Dear Council,

1993934 Ontario Inc is the current owner of Meadows Modular Home park located at 193381 Side Rd 30 just west of Durham. At the June 7, 2022 council meeting By-law 61-2022 was passed to enter into a site plan agreement for an expansion of the park to the north. As part of the expansion a new road is to be created. We are proposing that the road be called "Spruce Dr". The second phase of the park is surrounded by large spruce trees. This is consistent with the naming of the current road of "Meadows Dr"

Sincerely,

Kevin Tremble
Vice-President
