Re: Request for Centennial Hall, Ayrton
(rental free of charge)
Friday, October 21st 2022

The Ontario Association of Agricultural Societies (OAAAS) are attempting to recruit new, and to re-certify former judges for our local fairs.

I am the Past District 10 (Grey & Bruce Counties) Provincial Director of the OAAAS and am in the process of attempting to ~~help organize and~~ hold a judging school (8:30 am to 3:30 pm) for PHOTOGRAPHY and ANTIQU judges for our fairs.

I have already spoken to Mayor Christine Robinson, Councillor Rebecca Hengert and Cody (Director of Recreation) on this matter, and with their support, I am requesting the free use of Centennial Hall. We will set up, clean up and replace chairs, tables for about 20-30 prospective judges; we will not be using the kitchen, except for a coffee percolator. I am aware that both Newstadt and Durham Ag. Societies

have at least one free gratis day
that is not being used in 2022
so perhaps this ^(these) extra day(s)
could be used for the OAA
District 10 judging school.

I will be home Friday A.M.
until 11:00 am if more information
is required. Looking forward
to your anticipated support.

Respectfully
Wayne E. Pfeffer
