(Established 1858)

RECEIVED

OCT - 5 2022

*Municipality of West Gt*  
**Thank You**

If you are receiving this letter...its because YOU DID IT!!!!

The words THANK YOU seem so small, even when they have been put in all caps. The 2022 Durham Fall Fair has come and gone, and YOU have been a big part of the success. Yes...we have done some new things.... We will spend time reviewing what worked and what didn't. The point is...after 3 years and all of what COVID has taken from all of us, we were able to host an event that allowed for us to come back together again.

We want to say such a heartfelt THANK YOU to everyone who supported. Some of you gave money, some prizes...still others of their time -even those of you working a full-time job and THEN coming to assist! We had the pre set up crew...the during the event crew and the take down people. SO VALUABLE!!! All of you!

I won't lie, it was very hard to compete with everything and Homecoming this year. Our monetary donors were tapped out. We did the best with what we could, with what we had. Our volunteer base has fallen away a bit. Some have passed on, some still fearful and our youth, have grown up and gone to college and got jobs -yet we didn't have a chance to entice the new younger base. We will get there again. I have every confidence. We just had to keep everyone safe (hence why it was spread out between arena floor, auditorium and the tent) There is much to review. We are so grateful. So very grateful to everyone who supported.

Other than that...here are some FAQ's

1. who won the kids bike- Ledger Hart
2. who won the adult bike- R J Hundt
3. who won the door prize for the dance- Bill Noble
4. who won the one of a kind fire pit at the Tractor Pull- Rob Neilson
5. and yes...Cory Tucker and Dave Arnett DID go head to head at the Tractor Pull. The red machine went 398 feet (full pull is only 300) and the blue machine went 365 feet. I will let you draw your own conclusions...lol...enuf said.

*Thank you so much for your support of our fall fair! Couldn't have done it without you!*

Please accept these heartfelt thanks in the spirit with which they are given. YOU know what you did, and we want YOU to know how much it was appreciated.

Most Sincerely,

Debbie Tucker-President

on behalf of

Durham Agricultural Society

*Thanks again!*
