### Analysis:

The *Municipal Act, 2001* requires municipal treasurers to submit to council an itemized statement of remuneration and expenses paid to or on behalf of each council member and members of local boards. Specifically, section 284 (1) states that:

The treasurer of a municipality shall in each year on or before March 31 provide to the council of the municipality an itemized statement on remuneration and expenses paid in the previous year to,

- a. each member of council in respect of his or her services as a member of the council or any other body, including a local board, to which the member has been appointed by council or on which the member holds office by virtue of being a member of council;
- b. each member of council in respect of his or her services as an officer or employee of the municipality or other body described in clause (a); and
- c. each person, other than a member of council, appointed by the municipality to serve as a member of any body, including a local board, in respect of his or her services as a member of the body.

West Grey Bylaw No. 46-2022 identified the amount that each member of council was permitted to spend on conferences, including expenses related to the conference. The allotment for each member in 2022 was \$1,500.00.

Members of council are also permitted to claim mileage expenses for travel to and from council meetings.
