Dear Mayor and Council of West Grey,

I am writing as a representative of The Durham BIA to request your support in starting a Farmers Market in the town of Durham. The market will be held every Friday between the hours of 1 and 6pm and will run from June 16th to October 13th 2023.

This event would allow the citizens of the West Grey community to shop local and build community. It will provide fresh local produce and goods to the people of West Grey while promoting local agriculture and environmental sustainability.

The market will also serve as a prelude to Music in the Park, and we are looking forward to working with the musicians from the community.

Support required from the municipality will include:

- Approval to use the parking lot located south of the Northern Credit Union every Friday from 1 to 6pm starting June 16th to October 13th.
- Access to barricades to section off farmers market from vendor parking.

The farmers market will be a wonderful opportunity to grow community and we hope to have the municipality’s full support.

With Gratitude,
