

ROYAL CANADIAN LEGION

Branch 308, Durham

To: Kodey Hewlitt
Municipality of West Grey

Hello,

With the great success of our Banner program last fall, we have received several inquiries wondering if we are going to be offering it again this fall? Already we have orders for 3 new banners and interest in several more.

Before we can move forward with this however, we need to know if the new Municipal Council will be willing to allow us to add additional banners in our communities? We would like to see up to 6 additional banners in Durham, 3 in Ayton and if there is an interest, banners in Neustadt and Elmwood.

We look forward to hearing from you.

Sincerely,
Comrade Brian Carr
