## **Request for Exemption:**

### **To Our Mayor, Deputy Mayor & Council Members:**

The West Grey Durham Lions Club, a non-profit organization, is hosting our annual 'Durham Loves Canada' Canada Day celebration at the Durham Community Centre grounds on Saturday, July 1st, 2023 from 4pm to 10pm after which our annual fireworks will start

We have invited J.R.'s Burger Bus, and Eowyn's to sell food at our event. We understand that there is a By-Law in effect that refreshment vehicles are to pay the Municipality \$100 for setting up for one week or less

As per Section 9, sub 26, we request an exemption from the Refreshment Vehicle By-Law as a portion of their profit from sales of that day will be given to our Lions Club in support of our community projects.

Sincerely,

Nella Monaco-Wells  
Secretary  
West Grey Durham Lions Club
