### Creation of a City of Toronto “Buy Local, Buy Canadian” Campaign - by Councillor Mike Colle, seconded by Councillor Jennifer McKelvie

#### City Council Decision

City Council on February 5, 2025, adopted the following:

1. City Council request the City Manager, and relevant Divisions to develop a comprehensive, multifaceted “Buy Local, Buy Canadian” campaign in response to the potential 25-percent tariffs announced by the Trump Administration, such campaign to encourage Toronto residents and businesses to join the City of Toronto's divisions and its agencies and corporations in purchasing locally made Canadian goods and services in order to protect local jobs in Toronto and Ontario where the proposed punitive tariffs would result in hundreds of thousands of job losses if imposed on Canada.
2. City Council direct the Chief Financial Officer and Treasurer and the City Manager, in consultation with the Chief Procurement Officer and the General Manager, Economic Development and Culture, to accelerate the development of local procurement approaches as set out in Sidewalks to Skylines: A Ten-Year Action Plan for Toronto’s Economy to strengthen local businesses and protect local jobs.
3. City Council request the Federal Government to develop a standard recognizable label to be placed on all Canadian goods in clear, readable fonts that clearly shows percentages of Canadian content and any and all foreign content.
4. City Council forward the Item to all Ontario municipalities and encourage them to join Toronto in a “Buy Local, Buy Canadian” campaign.

#### City Council Decision Advice and Other Information

City Council considered the following Items together:

MM26.7 headed “Creation of a City of Toronto “Buy Local, Buy Canadian” Campaign - by Councillor Mike Colle, seconded by Councillor Jennifer McKelvie”; and

MM26.13 headed “Affirming Our Canadian Independence - by Councillor Stephen Holyday, seconded by Councillor Vincent Crisanti”.

#### Summary

With recent threats from President Donald Trump to impose a 25 percent tariff on Canadian products and services, it is important that municipalities, businesses, and residents across Canada stand up for our country, our economy, and our businesses.

The City of Toronto, Canada's largest municipality, has an opportunity to encourage residents, businesses, and cities across Canada to create and participate in a "Buy Local, Buy Canadian" campaign to ensure that we support local products, local businesses, and local growth.

This motion requests that the City Manager and relevant City Divisions develop a comprehensive "Buy Local, Buy Canadian" campaign that will encourage spending to further develop our own local economies through the purchasing of local goods and services when available.

Council of the Region of Durham, at its meeting held on February 26, 2025, adopted the following recommendations of the Committee of the Whole, as amended:

“Whereas in recent years, Nazi iconography has surfaced with alarming frequency in the public sphere, used by an increasing number of groups and individuals to promote hate and instill fear within Canadian society; and

Whereas since the atrocities of WWII, the Nazi swastika, also known as the hakenkreuze, has become universally synonymous with systematic violence, terror and hate. Its growing presence in our country poses a threat to every single Canadian citizen, undermining the core values of equality, diversity, and inclusion that define our nation, and

Whereas eighteen countries have already taken action to ban these symbols, it is imperative that Canada follow suit;

Therefore be it resolved, that Durham Region Council supports B’Nai Brith’s call to the Government of Canada to pass legislation banning, with exceptions for certain educational and artistic purposes, the public display of Nazi symbols and iconography, including the Nazi swastika (hakenkreuze). Specifically, demanding that the Government of Canada immediately:

1. Ban the Nazi swastika (hakenkreuze)

2. Ban all Nazi symbols and iconography

Durham Region Council agrees that the people of Canada are counting on the federal government to ensure a future free from hate, where every Canadian is protected, valued, and respected; and

That a copy of this motion is sent to all Canadian Municipalities.”

“As the EDTC team, we will foster a systems approach and work in concert with our colleagues and partners to share resources, build capacity and bring value. We will focus on internal and external communications and be the best leaders, ambassadors, and champions we can possibly be”

– EDTC Master Plan.

# EXECUTIVE SUMMARY

Collectively, the EDTC team works to create an enabling environment for people and businesses to invest. We also work to create a sense of pride and belonging in our communities, where our people can enjoy their lived experience.

Year one of EDTC Master Plan implementation focused on performing foundational work, providing the base tools and frameworks, necessary to enable our collective efforts and strategic maturing over the life of the Plan.

In 2024, staff focused on building capacity internally within our teams, and for our member municipalities and community partners across the region. For Economic Development and Tourism, this meant pulling ourselves out of the weeds and focusing on a high-level regional role. For Grey Roots, this meant shifting our focus to place a higher priority on supporting community partners through programs and events.

As per the Master Plan, a conscious effort is made to look inward at Grey County. We focus, specifically and strategically, on who we are and what we have to offer. The people, the pride and the resources available here, in Grey County. External influence—regional, provincial, national and global—is always considered, but only as it applies to what is happening and what could happen locally.

Don't lament what you don't have.  
Take inventory of what you do”.

– Dan Mathieson  
Former Mayor, City of Stratford

As highlighted in the department's first annual report, staff found success in this approach. In this first, foundational year, staff across the department did the work to unpack the situation on the ground, using and developing data to inform decision making. They built further relationships with the business community, industry representatives and community groups. They focused on partnerships and programs to seed mutual success.

Now, through the first year of implementation, the dedication and expertise of the EDTC team, gives great confidence, that together, we are moving forward in a meaningful and impactful way, to care for our people and place – past, present, and future.

Savanna Myers  
Director, Economic Development,  
Tourism & Culture

“Be bold. Make a long-term vision and understand that some decisions you make today will have some incredible unintended consequences for the better as you go along your journey. Communicate well. Build a big tent. Get lots of partners in there. Nobody’s in a silo”.

– Dan Mathieson

# REGIONAL OVERVIEW

Data analysis drove foundational work in 2024. This included procuring and developing shared tools and resources to enable real time understanding of regional demographics and sectors. Grey County has seen record growth, which began ahead of the pandemic, and continued through to today. This has been felt and noted across the County, particularly across our younger generations. That said, when we look at the population pyramid, it becomes exceptionally clear that it is not enough to maintain our population, let alone grow.

It is no surprise that our County has an aging population, but the extent to which it is aging out, is now being understood more broadly, beyond staff. When we compare this to the demographic pyramid in 2021, we see a stark difference. At that time, the boomers were our key workforce, today, the last cohort is preparing to retire.

The EDTC Master Plan identifies a path forward, and it is now clearer than ever, the urgency of action required. By 2030, in the next term of Council, we will begin to feel the shock.

By working as a region, alongside our partners, we can make a positive impact, and build communities for the future.

Collectively, we carry a stronger voice and better the likelihood of achieving goals more effectively, in a timely manner and with fewer resources required. A cohesive vision, followed by effective and true collaboration will benefit us all.

### BUSINESS ENTERPRISE CENTRE (4.1)

A new plus-one transfer payment agreement for the Business Enterprise Centre was executed for 2024-2026, including an additional \$50,000 in funding towards grants and programming funds as announced through the Ontario 2024 budget. Summer Company and Starter Company programs were oversubscribed, and all grants were filled.

New trends in clientele demographics and food businesses reemerged this year. Additionally, the Centre saw an increase in consults, though the trend is surrounding individuals trying to supplement income instead of jumping full time into self-employment. Many of these individuals are on ODSP or OW.

Staff continue to meet with the Province, participating in the Provincial SBEC Program review, advocating in support of the SBEC network, recognizing the critical role it plays in community economic development.

HBEC first launched at Georgian’s Barrie Campus more than a decade ago, and, following its successful programming in Simcoe County, opened a second location out of a dedicated space at Sydenham Campus. This collaboration builds on the strong foundation of Catapult Grey Bruce and highlights a shared commitment to nurturing the region’s entrepreneurial ecosystem and bringing vital business development resources to the region.

### GREY ROOTS MUSEUM & ARCHIVES

2024 marks the 20th Anniversary of Grey Roots Museum & Archives—Twenty years of presenting world class exhibitions, events and programming to visitors and residents of Grey County. Two decades of developing Moreston Heritage Village into a beloved living history site, of providing exceptional service to any and all, from simple tourism inquiries to generation spanning research projects. Over the last twenty years, we've been honoured to work alongside a multitude of exceptional volunteers, community organizations, cultural institutions and municipalities - following our vision to help build better communities.

The milestone year was celebrated through a variety of events and experiences including a PA Day kick-off event featuring family activities and complimentary ice cream; The Roots of Grey Roots lecture by historian and author, Richard Thomas who presented a look back on the origin and early years of Grey Roots Museum & Archives; 20th Anniversary Fundraising Gala - a grand soirée celebrating twenty years; and seven special admission by donation days throughout the year - our way of saying thank you to our visitors for all their support.

I contacted GRMA to inquire about historical photographs of Owen Sound related to businesses owned by my family to use in my Greek Community video project. Staff informed me of their process to accommodate my request and I was impressed with the efficiency and the information they provided, so much so that I asked to volunteer in 'The Archives'. Thank you for preserving our past.

*Visiting the Bruce Peninsula? Don't miss Grey Roots Museum! Our visit to Grey Roots was an incredibly enjoyable experience. The grounds are well-kept, the buildings and displays laid out well. But most of all, we were impressed by the enthusiastic, knowledgeable volunteers we met inside these buildings! Fabulous! Although we know the area well and have visited several pioneer villages/museums, we learned a lot about the Indigenous residents and settlers, and their struggles to live on the Bruce Peninsula. We also learned about the impact of various technological advancements. So glad we went!*

# 1. LEADERSHIP AND COLLABORATION

## PRIORITY 1

Positioning Grey Roots in the foreground of culture and connection in the region, reflective of community and visitor interests, is the cornerstone of this priority. We will work to be recognized as a community cultural hub that sparks curiosity and a love of human and natural history and local culture.

1.4 Be expert stewards in the collection, storage and display of human, natural and living history stories and collections.					

## COLLECTION AND EXHIBITS (1.4)

In addition to ongoing municipal inquiries, research assistance in 2024 included complex and professional research or image queries: ex. fiction and non-fiction books, textbooks, newspaper, magazine and journal articles, websites and other online portals, film creators; environmental, architectural and heritage reviews and assessment reports; student projects and teaching at all levels through postsecondary, committed genealogists and local history pursuits. We've noticed out of area and out of province research is returning post-pandemic.

At 4,497.93 square kilometers (1,736.66 square miles) Grey County is the 4th largest county in Ontario. Both Collections and Archives have a geographic collecting scope which is the entire County, with an objective to represent the County as a whole, including each of its nine municipalities, past and present. We collect materials that speak both to the area's human and natural history on the topics of **community life, government, communication, local organizations, families, business, industry, military, transportation, cultural groups, Indigenous peoples, settlement and immigration**, and beyond.

#### BEHIND-THE-SCENES:

Grey Roots' permanent collections are securely stored in a temperature, humidity, and light-controlled environment where they are protected from handling, fire, mold, pests, pollution, and environmental disasters. The goal of these preventative conservation measures is to care for and prolong the lives of the materials for as long as possible. Following receipt of a donation (or municipal transfer) and signed Deed of Gift, processing must be completed before the material is fully available for use.

# 2. INCLUSIVE STORYTELLING

## PRIORITY 2:

Connecting with our diverse community including Indigenous, Black, Immigrant and Newcomer groups is the critical first step in engaging new audiences and presenting a more complete history. Building strong and meaningful relationships may evolve into partnerships over time, producing a more inclusive and diverse representation of Grey County.

ACTION	2	2	2	2	2
	4	5	6	7	8
2.1 Continue to work with the Indigenous Advisory Circle for guidance and feedback to increase the representation of Indigenous history and culture in programs, exhibits, events, and capital projects.					
2.2 Invite authentic and diverse voices to influence, collaborate and lead programs, exhibits, events, and capital projects.					
2.3 Enhance community cultural programming and use of the site by community partners.					
2.4 Nurture continued dialogue with communities; encourage discussions; ask for advice and sincerely consider feedback.					

### INDIGENOUS ADVISORY CIRCLE

The Indigenous Advisory Circle met twice in 2024 - April 2 and October 16. Two individual meetings were also held with Elders Shirley John and Miptoan (Anthony Chegano). The focus of these meetings was the development of content for the Grey County Gallery as we discussed the best way to share the stories of the impact of residential schools on local First Nations, the displacement of the Anishinaabe village at Nawash (Owen Sound), disputes around fishing rights, and the Anishinaabe cultural significance of the land and waters in Grey. Advisory Circle members were invited to write sections of the exhibit text to create space for authentic representation of local First Nations. The group also advised staff on the refresh of the medicine garden at the front of the Grey Roots main building, and IAC member, Robyn Jones was invited in January 2024 to share a best practices presentation on land acknowledgements with Grey County Council.

Each summer, Grey Roots staff participate in interpretive hikes at Cape Croker Park, through the Anishinaabe Cultural Experiences program. These

hikes have been valuable learning opportunities for our team. The knowledge and stories shared by Anishinaabe guides deepen our understanding of the rich, long-standing First Nations history in this area.

### GREY COUNTY COMMUNITY CULTURAL INITIATIVES FUND

\$5,000 in support was provided to the Negro Creek Descendants and Community Friends Group. As appropriate land is confirmed, the group will focus on the development and fundraising for a monument to recognize the historic Black settler communities on Negro Creek Road and recognize the historic Black settler communities on Negro Creek Road. The initiative will culminate in an unveiling celebration planned for 2025. These funds are being held by the Township of Chatsworth who are assisting in the financial management of the project.

### BLUEWATER DISTRICT SCHOOL BOARD PARTNERSHIPS

Grey Roots collaborated with John Diefenbaker Senior School to host and promote 'Bringing History to Life', a 10th grade history project on local WWI soldiers.

### SPECIALIST HIGH SKILLS MAJOR – AGRICULTURE PROGRAM

Bluewater District School Board entered into a pilot agreement in 2024 to move its SHSM Program In Agriculture to Grey Roots. The program combines theoretical and practical teachings through classroom learning and onsite in the barn, greenhouse and maple syrup production facility, to allow students to explore various career paths in food production, raising livestock, crop management and horticulture.

**HIGHLIGHT!** Grey Roots' displays on Black History are drawing interest from outside the area. The two visits by the Toronto-based Afrika Outbound youth group in 2024 were preceded by their first visit in the fall of 2023, and they promise to return. Each visit is co-hosted with a volunteer from the local Black descendants community. We also arranged for a volunteer to co-host the two tours from the Unifor BIWOC Committee, based in Kitchener.

# 3. INTERACTIVE EXPERIENCES

## PRIORITY 3

This priority focuses on further embedding interactive experiences throughout Grey Roots. This engagement model appeals to a variety of learners and can create more diverse access, both on and off-site, led by Grey Roots staff or others, to encourage memorable and connected experiences.

ACTION	2	2	2	2	2
	4	5	6	7	8
3.1 Continue to develop new interactive experiences throughout Grey Roots for diverse visitors of all ages and abilities—physically across the site and digitally.					
3.2 Develop expert partnerships with individuals and community groups to lead and implement interactive, diverse programming.					
3.3 Introduce more young family and youth focused products and experiences to better serve and grow the priority target segments.					
3.4 Develop a roadshow and travelling exhibit series to embed products and experiences offsite, across the region.

# 4. DESTINATION DEVELOPMENT

## PRIORITY 4

Recognizing Grey Roots as a key tourism asset in Grey County, as both destination and hub of information and access underpins this priority. It's about inspiring return visits and positioning Grey Roots as top-of-mind among our community and visitors by sharing key tourism information and offering unique experiences.

ACTION	2	2	2	2	2
	4	5	6	7	8
4.1 Establish Grey Roots as Grey County's foremost tourism information hub.					
4.2 Utilize the substantial outdoor property to create year-round roadside and outdoor attraction experiences.					
4.3 Investigate opportunities to curate an itinerary of experiences between Grey Roots and other attractions, helping to attract overnight visitor stays					
4.4 Explore the possibility of creating a connecting trail link between Grey Roots and Inglis Falls, in conjunction with the Bruce Trail to provide day long or multi day experiences.					

### TRAVELLING EXHIBIT

*Inspiring Nature, Inspired Techno* ran at Grey Roots from May to September. The family-friendly exhibit explored the intersection between nature and transportation technologies. Hands-on, interactive components and eye-catching displays showcased numerous technologies inspired by the natural world.

### TOURISM INFORMATION HUB

Hub development began with a greater tourism presence in 2024. Grey County's two Tourism Summer Students spent more time at Grey Roots, setting up a visitor booth, sharing information and answering questions for guests looking to explore the region. In addition to having more readily available tourism information, a new regional map wall was installed as the first permanent installation of the transformation.

# 5. INNOVATIVE PRACTICES

## PRIORITY 5

Through this priority, we look internally at our operations to consider how we do business, and how we can continue to do things differently. It's also about making sure all our people can access the products and services we so proudly offer.

ACTION	2	2	2	2	2
	4	5	6	7	8
5.1 Prioritize programming over new construction to increase visitation and revenue, fully utilizing the assets already at Grey Roots.					
5.2 Work with the Niagara Escarpment Commission (NEC) to amend property permissions and enable further use of the property, including Moreston Heritage Village.					
5.3 Perform an annual operations review to understand trends, refine the business model, explore new revenue generation tools and plan for sustainable growth.					
5.4 Explore methods of improved access and inclusion across product and service offerings.					
5.5 Enhance strategic target marketing to residents and visitors, encouraging greater participation in product and service offerings, and boosting customer relationship longevity.					
5.6 In conjunction with economic development and tourism, develop a Made in Grey program that celebrates our present – people, place and business - bringing to life our motto, 'History Lives Here'.					

### LEAN PROJECT

Staff engaged Lean Advisors to assist in planning Village operations for 2025. The project consulted staff, volunteers and the public to recommend an operating model that better aligns with current experience and future trends.

### MUSEUM ASSISTANT

Bianca Nam was hired in November 2024 in a purposeful adjustment to continue the course of prioritizing programming, enabling coordinated delivery every Saturday at the museum. One student position was realigned to assist with program delivery and support education programs and special programming across PA Days, March Break and Christmas Break.

### FRIENDS OF MORESTON

The Friends of Moreston is a volunteer-driven, not-for-profit organization dedicated to supporting Moreston Heritage Village at Grey Roots Museum. This group plays a vital role in preserving, maintaining, and promoting the village, which is constantly evolving. The Friends undertake a variety of projects, such as gardening, construction, cleaning, painting, and fundraising. They organize seasonal workdays in the spring and fall to help keep the village in excellent condition year-round. Additionally, the group holds quarterly meetings, during which Grey Roots staff provide updates on museum plans and activities, seeking feedback and recommendations from the Friends to guide future initiatives.

## VOLUNTEER COORDINATION

Volunteers at Grey Roots are essential to everything we do. Whether presenting Grey County's history to the public, supporting the museum's artifact and archival collections, restoring antique vehicles, assisting with exhibit changeovers, or contributing to educational programs, our volunteers play a vital role.

In 2024, we have made it a priority to keep our volunteers informed about museum plans and to maintain strong connections throughout the year. This includes sharing updates on performance measures, discussing future plans, and gathering valuable feedback and input from our dedicated and experienced volunteers.

**Re: Carbon Tax**

Dear Prime Minister,

At the meeting of Sarnia City Council held on March 3, 2025, the following resolution was adopted:

***That given the advent of the US tariffs and the economic impact on Canadians it is even more critical at this time to petition our own Federal liberal government to put a stop the 20 percent increase to the carbon tax scheduled to be implemented April 1, 2025. The vast majority of Canadians do not support the carbon tax, and the timing could not be worse for the impact to our citizens; and***

***That the resolution be forwarded to the Prime Minister, his Cabinet, Leaders of Opposition, our MP, and All Ontario Municipalities.***

Your consideration of this matter is respectfully requested.

Yours sincerely,

## **Re: Letter of Introduction – Paul Vickers, MPP for Bruce—Grey—Owen Sound**

March 10, 2025

Dear Bruce—Grey—Owen Sound Municipalities,

I am pleased to share with you that on February 27, 2025, I was elected by the constituents of Bruce—Grey—Owen Sound to serve as their next Member of Provincial Parliament. This is an incredible honour that I do not take lightly.

For those of you who do not yet know me, I am a lifelong resident of our constituency in the Meaford area. I have dedicated my life to agriculture and community service, having operated our family’s dairy farm ever since my graduation from the Ontario Agricultural College at the University of Guelph. I have served on the Board of Directors for Gay-Lea Foods Co-operative, including serving as Chair for two years, and on the Board of the Ontario Federation of Agriculture, where I was most recently a Vice-President.

I have also served as a Councillor for the Municipality of Meaford. Through this experience, I understand the challenges our local municipalities face. I am aware that our communities are grappling with mounting infrastructure costs and capital deficits, are at the forefront of an unprecedented pace of development and are navigating new social challenges. Please be assured that we are on the same team when it comes to making our community a better place. These challenges may be complex, but together, we can get it done for our communities.

Please be assured that my office is open and is a resource for you. As your MPP, I am committed to helping you navigate the provincial government when help is needed. I am also committed to being a presence in our community and pride myself on approachability. Don’t be shy to pick up the phone for a chat or send an email if you have an issue to bring to my attention.

I look forward to working with all of you over the next four years, as we work collectively to make Bruce—Grey—Owen Sound an even better place to call home!

Yours in service,

**Paul Vickers, MPP**
