Mayor
Municipality of West Grey

Dear Mayor Robinson:

I am pleased to advise you that the Municipality of West Grey has been selected for funding through the Ministry of Transportation's 2021-22 Connecting Links Program. Your project may now proceed without delay upon receipt of this letter subject to the conditions noted below.

The ministry's maximum provincial contribution for your project is \$329,378 towards the replacement of the Garafraxa Street box culvert.

Ministry staff will follow up with your municipality to provide the contribution agreement and discuss the milestones and other requirements that must be met. The contribution agreement needs to be signed and returned to the ministry within two months of receipt. The ministry will require a signed agreement, accompanied with a council resolution before funding can be provided; however, as noted above, you may begin your project now. Any eligible costs incurred on or after April 1, 2021, will be reimbursable through the payment and reporting process.

I look forward to continuing our cooperative relationship and wish you success with your project.

Sincerely,

A handwritten signature in cursive script that reads 'Caroline Mulroney'.
