Subject: File A09.2021 - Minor Variance Review by West Grey Committee of Adjustment - Public Comment

Dear Lorelie Spenser,

Re: File A09.2021

Minor Variance Review Public Comment:

Regarding 363 Lambton Street East, Durham, On. request for variance of provision of section 12.2.4 from 1.8 m to approx. 1.22 m setback for construction of a garage.

I am 421 Lambton Street East, Durham, On. property owner, situated within 120 m of the affected property and I support the granting of this minor variance.

Best regards,

John Christie, P.Eng.
