Family For All

Joan Beecroft, Owen Sound chapter leader

What is PFLAG and what does it do?

- National group offering local peer-to-peer support
- Provides general and local resources and information
- Open to anyone with questions about sexual orientation and gender identity

Asking for a straight pride flag is like asking for....

...parking spots designated for able-bodied drivers.

Risks for LGBTQ2S youth:

- Being bullied
- Skipping class
- Dropping out of school
 - Homelessness
 - Victimization
- Suicide ideation or completion

PFLAG can help with all of these.

Risks for LGBTQ2S Adults:

- Loneliness and isolation
- Poor mental health
- Poverty
- Unstable/denial of housing
- Denial of human and civil rights

PFLAG can help here, too.
