

THE TERRY FOX
FOUNDATION

West Grey/Durham Terry Fox Run

To: West Grey Business Owners and Staff,

My name is Rob Edwards and my wife Deb and I have organized the annual West Grey/Durham Terry Fox Run for over 10 years.

In 1980 Terry Fox began the Marathon of Hope to raise awareness about Cancer and to raise money for Cancer research in Canada. Every year since the annual Terry Fox Run continues in his memory and to raise money for the Terry Fox Foundation for Cancer Research. 2021 marks the 41st anniversary of the Marathon of Hope.

As we are all still navigating these challenging times, we encourage you to fundraise and participate in the Terry Fox Run virtually on Sunday September 19. Try Like Terry, One Day, Your Way.

We are asking you to consider donating and helping us spread the word! Options include a donation from your business and or a challenge to staff to start a team and fundraise. Perhaps your business could offer to match employee donations. Tax receipts are available for any donation over \$20.00.

Consider registering your business as a team online at www.terryfox.org

-OR-

Consider making a donation directly to the West Grey Terry Fox Run (run site ID # 1021).
