Mayor Robinson and Council
Municipality of West Grey
402813 Grey County Road 4
Durham, ON N0G 1R0

Attn: Genevieve Scharback,

Re: Guelph Owen Sound Transportation (GOST) Bus Stop Location

The City of Owen Sound is seeking West Grey Council's approval of an agreement between the Corporation of the Municipality of West Grey and the Corporation of the City of Owen Sound respecting a bus stop for the 'GOST' service to be located in the municipal parking lot on Queen Street South in the town of Durham in the Municipality of West Grey.

The GOST transit will provide service starting from the Owen Sound Transit Terminal and stop at Chatsworth, Williamsford, Durham, Mount Forest, Arthur, Fergus and Elora before arriving at the final destination of Central Station in Guelph. The service will be provided by Voyago, who will use a brand new, fully accessible 20+2 passenger bus.

The GOST transit service will offer two round-trips daily. The first in the morning, departing the Owen Sound Transit Terminal at 7:30 AM and the second in the afternoon, departing the Owen Sound Transit Terminal at 1:30 PM. Each trip will have a capacity of 10 passengers due to COVID-19.

The agreement will recognize the following:

- There are no fees to set up the bus stop location
- The Municipality of West Grey would be responsible for maintenance of the bus stop area
- The City of Owen Sound will erect a bus stop sign in the location approved by the Municipality of West Grey

Sincerely,

Cassandra Cesco
Supervisor of Environmental Services
