**Cottage Owners Association INC**  
West Grey Ontario

**Side Road 5, West Grey, Speed Limit Safety Issue**

**Municipality of West Grey**

Side Road 5, North of Concession 6, is currently with a speed limit of 80 km/h. During the course of the year, those who live on Side Road 5 have experienced close calls while trying to enter Side Road 5 from their driveways. This is also true for anyone exiting Kingston Drive onto Side Road 5.

In an effort to improve safety on Side Road 5 North of Concession 6, the Habermehl Lake Cottage Owners Association, (Association) on behalf of all who live on Side Road 5 North of Concession 6 and those who live on Kingston Drive, is requesting the West Grey Council reduce the speed limit on Side Road 5 North of Concession 6 from 80 km/h to **60 km/h**.

In order to support this request, please find attached to this letter a signed petition from the residences that live on Side Road 5 North of Concession 6 and those who live on Kingston Drive. We have been advised that a by-law change will be required in order for this speed limit change to become reality and we are willing to participate in the process if required.

The residences and the Association feel this is a safety matter for all of us and would like to see a speed reduction before an accident happens.

Thank you for your consideration of this issue.

Yours truly

N. Reg Sonnenberg  
President,  
Habermehl Lake Cottage Owners Association Inc.

## **Side Road 5, West Grey, Speed Limit Safety Issue**

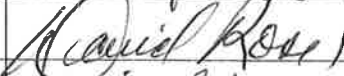

Side Road 5, North of Concession 6, is currently with a speed limit of 80 KPH. During the course of the year, those who live on Side Road 5 will have experienced close calls while trying to enter Side Road 5 from their driveways. This is also true for anyone exiting Kingston Drive onto Side Road 5.

In an effort to improve safety on Side Road 5 North of Concession 6, and on behalf of all who live on Side Road 5 North of Concession 6 and those who use Kinston Drive, the Habermehl Lake Cottage Owners Association would like to petition the West Grey Council to reduce the speed limit on Side Road 5 North of Concession 6 for 2 KM, down to **60 KPH** from the current 80 KPH.

In order to do this, the Association along with your support, will be submitting a formal request to West Grey council as we have been advised that a by-law change will be required in order for this speed limit change to become reality.

The Association feels this is a safety matter for all of us and if you are in support of this speed reduction, please provide your name and address on the attached page and this document will be submitted as support for the request to reduce the speed limit on Side Road 5 as described.
