

August 27

Request from the Durham and Area Terry Fox Run to raise a flag at the municipal office from September 16 to September 21, 2020.

Morning,

My name is Rob Edwards and my wife Deb and I organize the West Grey/Durham TerryFox run. This is the 40th anniversary of the Marathon of Hope and it will certainly be different! This years event is scheduled for Sunday September 20th. We are hoping the Municipality can assist us with getting the word out to residents on what the event will look like this year and how residents can still participant, collect pledges, donate etc. Mayor Robinson has been a strong supporter and I'd appreciate if you could forward this to her for her input. Thanking you in advance.

Rob Edwards. [REDACTED]
